

Rosie Weavers -

**Children's Pagan
Colouring Book.**

**Mother Earth is crying and sad
Her children are dying
Pollution is bad.**

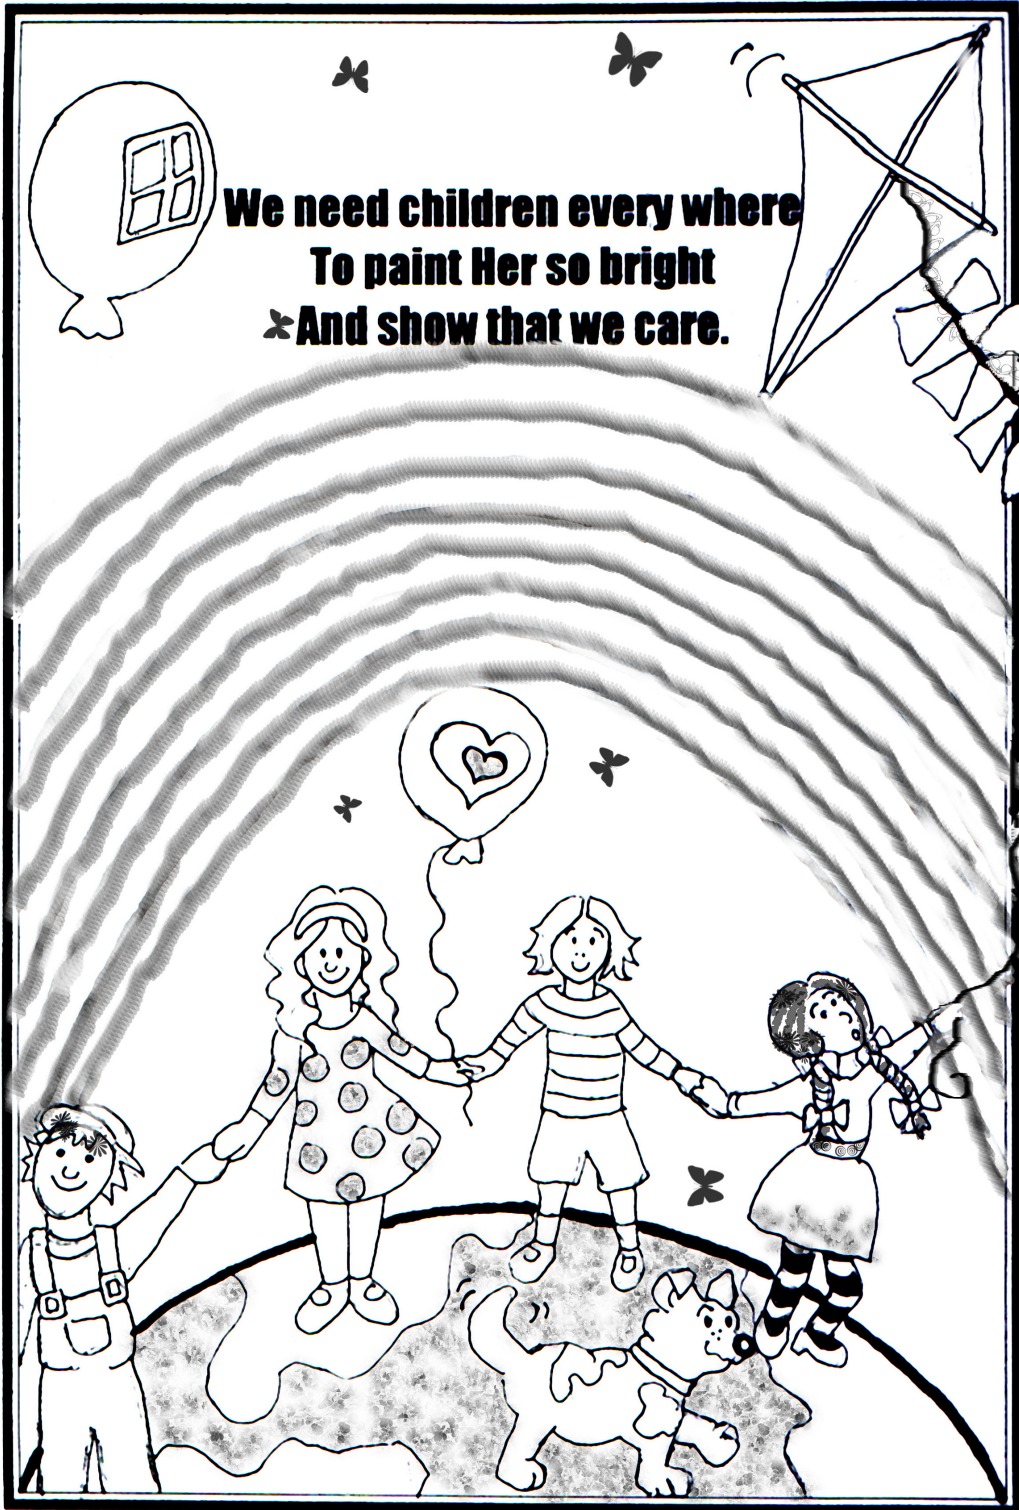

**What can we do ?
Please tell us -
Please !**

**You can care for
all creatures.....**

The flowers and trees.

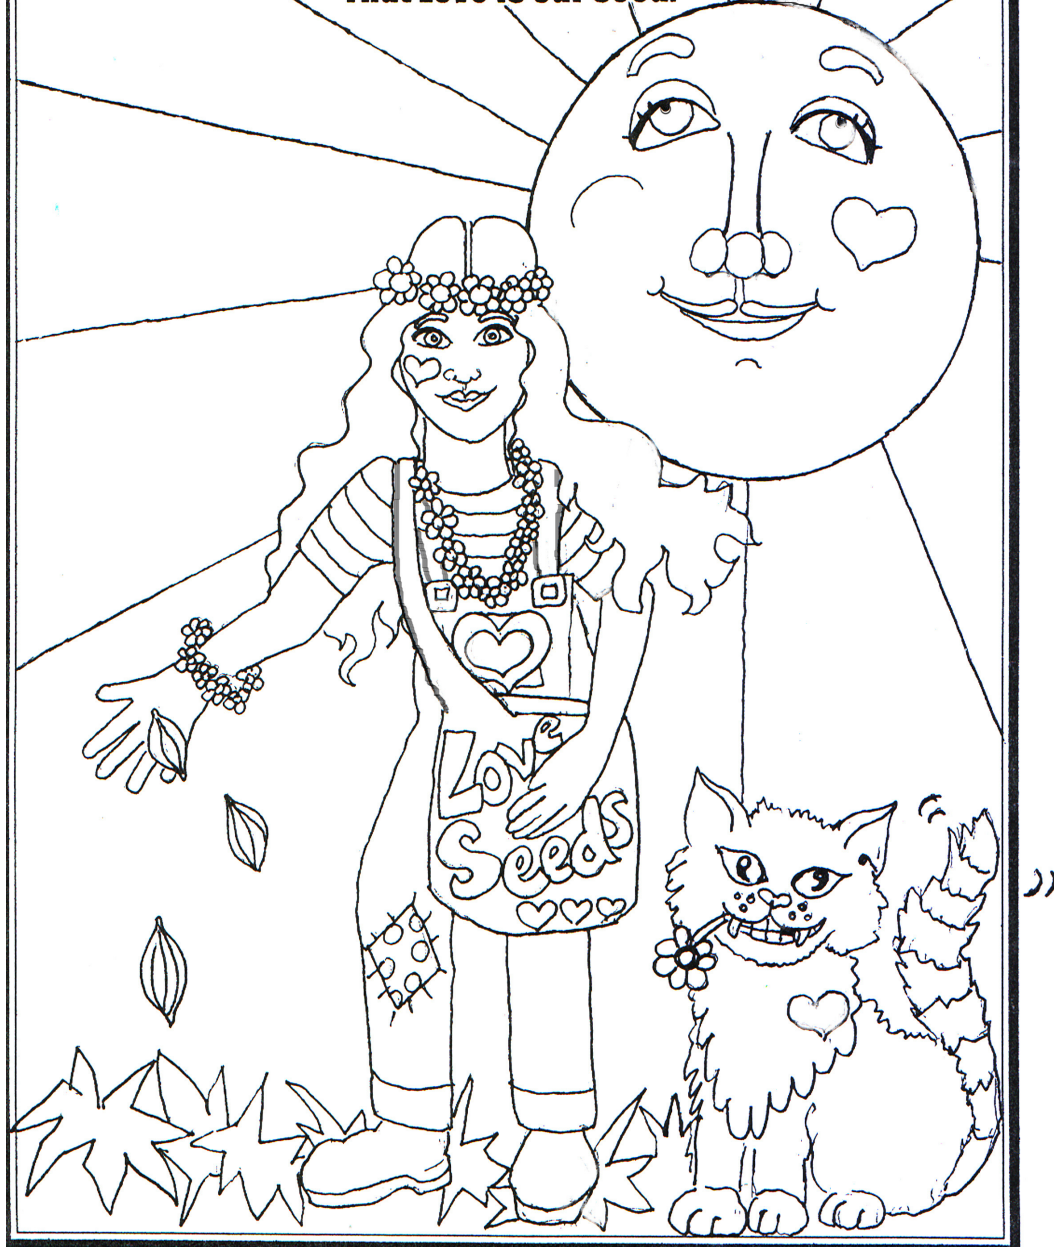

**By caring and sharing
We do our very best,
Then an example is set
For others to join our quest.**

**We need children every where
To paint Her so bright
*And show that we care.**

**Say "No" to pollution
Selfishness and greed,
Explain this to adults
That Love is our seed.**

**BY GROWING TOGETHER
WE'LL SHOW OUR TRUE WORTH,
AND HEAL THIS ENTIRE PLANET
OUR OWN MOTHER EARTH.**
